

Europe Tackles Information Chaos

Prague, September 22–23, 2022

#CIC2022 #CEDMO

Grand Opening

When: 22nd September 2022
Time: 8:30AM - 12AM
Location: [The Mayor's Residence](#), Mariánské náměstí 98/1, Praha 1

This grand opening will address the main high-level issues of the conference with the participation of representatives from the EU, National Government, and City of Prague; experts from EDMO, national and regional hubs covering regions from Spain to the Baltics and Balkan countries; private tech company representatives, and a European multidisciplinary community of academic researchers, fact-checkers, media practitioners, and other stakeholders.

Join us to mark the first anniversary of EDMO regional hubs in action, help us to build community and EU-wide resilience while protecting information ecosystems, democracy, social cohesion and human rights and to tackle the growing disenchantment with democratic processes, and institutional distrust and discord in civil society across Europe.
